3. Soccer Fields may be used for various recreation activities during the hours of operation as long as they do not interfere with league play.
4. Fishing is allowed under the following circumstances:
 - a. Barbless hooks only
 - i. The purpose of this is that backing a barbless hook out of a fish's mouth is far less harmful than the tearing of mouth and jaw tissue which commonly occurs when using barbed hooks.
 - ii. It is easier to achieve a solid hook set when using barbless flies because you are freed from having to overcome the resistance of the barb. Admittedly, a barbed hook will hang on to a fish better than a barbless hook, but you have to bury the barb in the tissue of the lip or mouth first.
 - b. Catch and release
 - c. Report all major catches to the office
5. Anyone wishing to use the 1.56 mile track that encircles Legacy Park is asked to wear running or athletic shoes as a safety precaution.
6. Beach Volleyball Court
