# GUARD YOUR heart

## Proverbs 4:20-27

**Key Truth:** Wisdom follows a path that leads to a Person.

The path is \_\_\_\_\_, and the Person is \_\_\_\_\_.

**In verses 1-13:** Seek after \_\_\_\_\_.

**In verses 14-19:** Avoid temptation and \_\_\_\_\_.

- Your heart is the \_\_\_\_\_ of your life, and everything you do \_\_\_\_\_ from it.
- Our hearts \_\_\_\_\_ who we really are.
- What comes out of our hearts is \_\_\_\_\_ of what we put into them.

1) We must view our heart as the \_\_\_\_\_ of our life.

2) We must see our heart as a precious treasure worthy of \_\_\_\_\_.

"The hardest part of a missionary career is to maintain regular, prayerful Bible study. Satan will always find you something to do when you ought to be occupied about that—even if it is only arranging a window blind!" – Hudson Taylor

3) We must \_\_\_\_\_ the throne of our heart to its Creator and fix our eyes on Him.
