

## Faith That Works - Part 2

### James 2:14-26

**Key Truth:** It's possible to have works without saving faith, but it is impossible to have saving faith without works.

**What does this passage teach us about faith that works?**

- Saving faith is always accompanied by sanctifying works. (v. 14-18)

Warren Wiersbe taught this section by describing three different kinds of faith:

1. Dead Faith (v. 17, 20, 26)
2. Demonic Faith (v. 19-20)
3. Dynamic Faith (v. 21-26)

Current obedience is a stronger indicator of salvation than past profession.

- Intellectual \_\_\_\_\_ is not saving faith. (v. 19-20)

Saving faith has three essential aspects: \_\_\_\_\_, conviction, and \_\_\_\_\_ resulting in reliance.

- By understanding, a person fully \_\_\_\_\_ the claims of the gospel.
- By conviction, a person has \_\_\_\_\_ that the content of the gospel is true,
- By trust resulting in reliance, a person relies \_\_\_\_\_ upon the gospel as his or her only means of salvation.

- Sanctifying works prove and \_\_\_\_\_ saving faith. (v. 21-26)

A person with faith can't carry out God's will on earth while idly sitting and boasting about their faith.

In the list of words, cross out every letter B, L, N and R.  
Write the remaining letters in order in the blanks.
