

The Motivation of Relationship: Philippians 3:7-11

What motivated you to enter a relationship with Christ?

Key Truth: Your _____ when entering a relationship may unintentionally determine the _____ of that relationship.

Last week, we focused on the **GOAL** of our relationship with God. We asked the question, “_____ are we trying to achieve?”

Today, we focus on the **MOTIVATION** of our relationship with God. We’re asking the question, “_____ are we in the relationship at all?”

Two motivating truths hit home on that day:
_____ is a great sinner.
Jesus is the great _____.
