**A Change Principle:** \_\_\_\_\_ don't change when we focus on \_\_\_\_\_ and not the source.

- A \_\_\_\_\_ is a difficult situation, person, or matter.
- A \_\_\_\_\_ is an indication of something, usually something undesirable.
- A \_\_\_\_\_ is the place where something begins or is derived.

**Key Truth:** When worldly wisdom is embraced by Christians, it leads to \_\_\_\_\_ in the church, unbridled \_\_\_\_\_ in believers, and spiritual \_\_\_\_\_ before God.
