

**Reflection/Response:**

- The quiet disciplines are only developed in stillness, by creating margin, and by treasuring Christ above all else.
- There's a time to serve and there's a time to sit.
- We cannot make up for lost intimacy by redoubling our efforts in service.
- What is distracting and pulling you away from Jesus?
- What needs to change for you to truly sit at Jesus' feet?
- What needs to change in our church for people to fully live these truths?

**Key Idea:** In a world of \_\_\_\_\_ and distractions, we must operate with God's \_\_\_\_\_ and practice the spiritual disciplines.
