

When possible, try to make any natural connections back to discipleship. Disciples pursue Jesus by loving God, uniting with believers, serving the world, and entrusting the gospel. Consider what you have heard in the sermon and prayerfully answer the questions below.

LOVE GOD

- What principles from the sermon directly impact your obedience to the greatest commandment to love God with all your heart, soul, mind and strength? (Mark 12:28-30)
- As you walk in obedience, what does it look like to love God with all your heart? All your soul? All your mind? All your strength?
- What did you learn about the character of God? How does that attribute of God's character fuel your daily walk with Him?
- Are there any idols standing in the way of your devotion to Christ? Identify them specifically and pinpoint biblical truth to replace the lies.

UNITE WITH BELIEVERS

- What is your responsibility to the body of Christ corporately considering what you've heard?
- How can you "row together," working with other believers to see God's kingdom expanded?
- How can you spur on other believers toward love and good deeds? (Hebrews 10:24)
- Is there anything that God used in the sermon to give you new ideas or motivation for caring for other believers?

SERVE THE WORLD

- How can you love your neighbor as yourself? (Mark 12:31)
- How is God promoting you to serve others? Where is a need that is going unmet?
- What is standing in the way of you (individually) and the church (corporately) serving others in a deeper way?

ENTRUST THE GOSPEL

- Where can you entrust the gospel truths that God has shared with you through this sermon?
- How do the truths from this sermon help you to build a platform for sharing Christ?
- What biblical principle(s) can you share with a non-Christian?
- During the sermon, did God prompt/convict you to entrust the gospel to someone? If so, who?
